## **Section 3. Main Provisions**

### **3.1. Admission requirements**

3.1.1. Admission to NUFYP and the Undergraduate program is based on a competitive basis and the principle of meritocracy which implies the selection of Applicants based on their entry results, providing everyone with equal opportunities at admission and facilitating the selection of the most promising and talented applicants without influence of external factors.

3.1.2. The Admission period during which the competition is conducted and the documents are collected is approved annually by the Admissions Department in consultation with the Schools.

3.1.3. The following types of applicants may take part in the admission competition:

- 1) students in the final year of secondary education institutions;
- 2) students in the final year of Colleges and/or enrolled in higher education institutions;
- 3) Applicants who have graduated from secondary education institutions, Colleges or higher education institutions;
- 4) NUFYP students.

3.1.4. Applicants in any of the following categories may participate in the competition:

- 1) NUET applicants:

Terms and procedures of NUET for these Applicants are written in Subsection 3.3. of these Policy and Procedures. The requirements for NUET are listed in Appendix 1 to these Policy and Procedures. Students who have been withdrawn or dismissed from NUFYP cannot apply to the Undergraduate program via NUET category within one academic year from date of voluntary withdrawal/dismissal.

- 2) SAT/ACT applicants:

The requirements for SAT/ACT applicants are listed in Appendix 1 to these Policy and Procedures. SAT/ACT certificates are accepted for admission to the Undergraduate program regardless of Applicants citizenship and to NUFYP from international Applicants only. SAT/ACT certificates are valid if the test results do not expire by the first of August of the relevant academic year to which Applicants are applying. Within this admission competition, the SAT and ACT certificates expiration

period is two years after the date of taking the SAT and ACT exams. For SAT, only a digital version of the test is considered in the competition. No superscoring (consideration of the highest section scores from two or more test certificates in order to obtain the best overall score) can be applied to SAT/ACT test certificates.

3) Winners of the International and/or Republican Olympiads:

The requirements for International and/or Republican Olympiads are listed in Appendix 2 to these Policy and Procedures. Winners of the International and/or Republican Olympiads are considered only for admission to the Undergraduate programs;

4) A-level Diploma and NIS Grade 12 Certificate holders:

The requirements for A-level Diploma and NIS Grade 12 Certificate holders are listed in Appendix 1 to these Policy and Procedures. Only final A-level and NIS Grade 12 Certificate scores are considered for admission competition. A-level Diplomas and NIS Grade 12 Certificates are accepted only for admission to the Undergraduate programs. Within this admission competition, A-level and NIS grade 12 Certificate expiration period is two years after the date of issuing these certificates.

5) IB Diploma holders:

The requirements for IB Diploma holders are listed in Appendix 1 to these Policy and Procedures. Only final scores can be considered for admission competition. IB DP completion diplomas are accepted only for admission to the Undergraduate programs. Within this admission competition, IB Diploma expiration period is two years after the date of issuing this Diploma.

6) NUFYP students:

NUFYP students shall be considered only for the first year of the Undergraduate program upon their NUFYP completion for the upcoming academic year and must meet requirements (except IELTS/TOEFL results) indicated in the Appendix 1 to these Policy and Procedures. The NUFYP students' results are provided by CPS to the Admissions Department.

7) Full Tuition-based applicants:

The requirements for Full Tuition-based applicants are listed in Appendix 1 to these Policy and Procedures. Applicants are considered according to the IELTS/TOEFL results and final GPA and/or UNT taken in English. These Applicants shall comply with certain conditions for study according to the internal documents of the University.

3.1.5. Students who are studying at the University at any program/level of education (except NUFYP students) as well as graduates of programs of the University (except NUFYP students) cannot take part in the competition. NUFYP students can apply only via NUFYP students category.

3.1.6. Applicants who have already earned an undergraduate degree under the Republic of Kazakhstan state fund in other universities are not eligible for admission under the state educational order or other types of grants to the University's NUFYP and Undergraduate programs. If these Applicants are eligible for admission, they can be considered for a fee-paying study.

3.1.7. Transfer of credits of Applicants indicated in Subclause 4) of Clause 3.1.4 of these Policy and Procedures or Applicants who are studying or completed undergraduate programs are identified by the Schools after enrollment. The maximum

allowed number of transferable credits is 72 (seventy-two) ECTS. Credits are transferred, but grades are not assigned to transferred courses. The grades received at the previous institution(s) will not be calculated into a student's grade point average (GPA) or cumulative grade point average (CGPA) at the University.

3.1.8. For former University undergraduate students who completed at least one semester and were voluntarily withdrawn or dismissed from the University for reasons other than disciplinary, one of the following specific conditions applies:

1) within five years of leaving the University, former students shall follow the readmission procedures established by the Office of the Registrar of the University. For these former students, all University ECTS credits and grades will be accepted as part of the readmission process according to the readmission procedures established by internal documents of the University;

2) after more than five years after leaving the University, former students need to apply as new students according to the terms and procedures established by these Policy and Procedures.

### **3.2. Application process**

3.2.1. To participate in the competition of NUFYP and/or Undergraduate programs, Applicants apply on the admissions portal ([www.admissions.nu.edu.kz](http://www.admissions.nu.edu.kz)) and, before the indicated deadline in the Personal account, shall:

1) accept the consent for personal data processing and fill out and upload an Application form;

2) upload scanned (or electronic) copies of documents indicated in Appendix 3 of these Policy and Procedures. If a document is not in Kazakh, Russian, or English language, a scanned copy of a notarized translation into English must also be attached;

3) pay online the application fee set by the University internal documents and submit the Application to the program. The application fee is non-refundable;

4) verify the results of a valid IELTS or TOEFL iBT certificate score from the Test Administrator's system and submit scanned copy of test certificates. The last test certificate verified and submitted to the Personal account will be considered in the admission competition without superscoring. IELTS/TOEFL test certificates are considered valid if their results do not expire by the 1st of August of the relevant academic year to which Applicants are applying. The terms of expiration of IELTS/TOEFL results are provided by the respective official websites of each test.

3.2.2. NUFYP students complete only Subclauses 1) and 3) of Clause 3.2.1. of these Policy and Procedures.

3.2.3. The Applicants qualified for special University Grants according to the internal documents of the University shall provide additional supporting documents according to the requested format within specified deadlines set by the Admissions Department. Sports achievement certificates requirements established by internal documents of the University and posted on the University website shall be dated no earlier than the first of January of the previous year from the expected date of enrollment. Provision of these documents does not guarantee admission to a Program and awarding special University Grants.

3.2.4. Copies of the documents of enrolled students required by these Policy and Procedures and submitted to Applicant's Personal account during the admission period according to Appendix 3 of these Policy and Procedures are available in the Office of the Registrar of the University in electronic format and used for formation of student's personal folder.

3.2.5. The Applicants' documents for enrollment indicated in Appendix 4 of these Policy and Procedures are handed over to the Office of the Registrar of the University and to be returned to the student according to internal documents of the University.

3.2.6. Providing incomplete information and/or failure to complete requirements listed in Clause 3.2.1. of these Policy and Procedures will result in exclusion from the admission competition. Providing false and/or incomplete information in a Personal account will result in exclusion from the admission competition or dismissal from the University in case of enrollment.

3.2.7. Applicants who falsify documents or violate test procedure requirements shall be disqualified from the admission competition or dismissed from the University in the case of enrollment and are not allowed to apply to the University programs of any level for any type of funding in the future.

3.2.8. Voluntary change of the Applicant's category indicated in Clause 3.1.4. of these Policy and Procedures, except NUFYP students category, during review and checking application packages, receiving final results of the applied category and by the indicated deadline is allowed if the Applicant is eligible for another category indicated in Clause 3.1.4. of these Policy and Procedures.

### **3.3. Description and procedure requirements of the NUET**

3.3.1. The University shall determine the dates, format, and venues or online platform where the examinations will be held. This information shall be posted on the University website. Applicants shall be notified via their email address specified in the Application form.

3.3.2. The test is administered and evaluated by the International University Partner/Test Administrator with assistance from CPS of the University. The International University Partner/Test Administrator determines the provisions and format of the test.

3.3.3. The NUET shall be held in two subjects, Mathematics and Critical Thinking and Problem Solving. Each subject consists of 30 multiple-choice questions. The duration of testing under each subject is 60 minutes. The number of tasks and duration of examinations can be changed by the International University Partner/Test Administrator.

3.3.4. The NUET is assessed by a standardized scale from 0 to 120 points for each subject. The minimum requirements for the admission competition are indicated in Appendix 1 to these Policy and Procedures.

3.3.5. Upon receiving an invitation to take the NUET, Applicants must be prepared to meet the technical requirements of the Test Administrator provided to the Applicant if the test is held online. Despite the format of the testing (online, on computer, or on paper), Applicants must go through an authorization procedure during

the registration to the test using the original national identity document or passport, which was uploaded to their Personal account during the Application period. If an Applicant fails to present the document(s) indicated above, he/she will not be admitted to the test.

3.3.6. The results of the NUET are posted in the Applicant's Personal account.

3.3.7. Applicants who successfully pass the NUET may continue in the admission competition.

3.3.8. Applicants shall comply with the test procedure requirements specified by the regulations and procedures approved by the International University Partner/Test Administrator. Information about the test procedure requirements is posted on the University website and sent to Applicants by email before the test date.

3.3.9. The test scores of Applicants who violate the test procedure requirements can be canceled by the International University Partner/Test Administrator with assistance from CPS of the University. Applicants with canceled NUET scores will be disqualified from the competition and are not allowed to apply to the University programs of any level for any type of finding in the future.

3.3.10. There is no procedure for appealing the NUET results.

### **3.4. Procedure for consideration of applications**

3.4.1. The selection process for admission to NUFYP and the Undergraduate programs for Applicants categories specified in Subclauses 1)-5) of Clause 3.1.4. of these Policy and Procedures consists of the following stages:

1) the Admissions Department reviews application packages, determines compliance with the minimum admission requirements according to Appendices 1-3 3 to these Policy and Procedures, and checks the validity of standardized tests via authorized access to the database of Test Administrators;

2) the Admissions Department sends invitations to take NUET to NUET applicants category if they complete all requirements of Clause 3.2.1. of these Policy and Procedures within the deadlines announced on the University website and/or in Personal account;

3) the respective School interviews the International and/or Republican Olympiad winners in person or via videoconference. At the discretion of the School, Applicants who have applied for other categories may also be interviewed. The number of designated interviewers shall not be less than two persons per interviewing applicant. Interview results must be provided to the Admissions Department by the respective School/Schools;

4) the Admissions Department receives exam and interview results of each category of Applicants.

3.4.2. The Admissions Department reviews applications of the Applicants under NUFYP students category according to Appendices 1 and 3 to these Policy and Procedures and checks compliance with the minimum admission requirements for the Undergraduate program of this category. At the discretion of the respective School, Applicants under this category may also be interviewed. The number of designated interviewers shall not be less than two persons per interviewing applicant. Interview results must be provided to the Admissions Department by the respective

School/Schools. The Admissions Department receives exam results of this category of applicants.

3.4.3. The Admissions Department reviews application packages of the Applicants under Full Tuition Based applicants category according to Appendices 1 and 3 to these Policy and Procedures and checks compliance with the minimum admission requirements for NUFYP and the Undergraduate program of this category. The Admissions Department also checks the validity of standardized tests via authorized access to the database of Test Administrators. Only Applicants meeting minimum admission requirements for a certain category will be recommended for admission within that category.

3.4.4. The University is entitled to request any additional documents, if required.

3.4.5. Successful completion of the application does not guarantee enrollment to the CPS or Schools.

3.4.6. In case of impossibility to arrange/take either of the tests indicated in Appendix 1 to these Policy and Procedures due to proved valid excuses (natural disasters, quarantine measures and etc.) acknowledged by the University, the Admissions Department in consultation with the Schools is entitled to accept Applicants' documents for consideration without passing the respective stage and/or replace the tests indicated in Appendix 1 to these Policy and Procedures with alternative tests. In doing so, an effective selection methodology and evaluation criteria is developed and approved according to the procedure indicated in Clause 3.5.1. of these Policy and Procedures regarding methodology (selection criteria).

### **3.5. Enrollment to NUFYP and Undergraduate program**

3.5.1. The Admissions Department develops rankings of Applicants specified in Subclauses 1)-6) of Clause 3.1.4. of these Policy and Procedures who successfully passed all the stages indicated in Clauses 3.4.1. and 3.4.2. of these Policy and Procedures and met minimum admission requirements of their category. The ranking is developed based on evaluation methodology (selection criteria) provided by the Schools. Methodology (selection criteria) shall be sent from the School via a Memo approved by the University Provost or his/her designee. Methodology (selection criteria) should include procedures for cases with equal final score. Applicants shall be ranked within their category and School (based on the major choice). The Schools and the University Provost or his/her designee approve the Applicants rankings on paper provided and signed by the Admissions Department. The University Provost or his/her designee recommends for admissions to the University based on the approved Applicants ranking and the allocated number of seats and/or quota for all sources of funding approved by the University.

3.5.2. Regardless of the category of Applicants stated in Subclauses 1)-6) of Clause 3.1.4. of these Policy and Procedures, the first choice major of Applicants is considered for the ranking of Applicants. The second choice major will be considered only upon request of the respective School.

3.5.3. NUFYP Students who achieve the Minimum Certifying Admission Requirements indicated in Table 8 of Appendix 1 to these Policy and Procedures receive admission offers to the Undergraduate programs under Grants without ranking.

3.5.4. NUFYP Students who achieve the Minimum Admission Requirements indicated in Table 7 of Appendix 1 to these Policy and Procedures are ranked according to Clause 3.5.1. of these Policy and Procedures with other Applicants categories but can only be considered for admissions to an Undergraduate program on a fee-paying basis with possibility of financial aid opportunities according to the internal documents of the University.

3.5.5. The ranking according to Clause 3.5.1. of these Policy and Procedures shall indicate a cutting score, which allocates Applicants for consideration to either NUFYP or the Undergraduate program. Applicants ranked equal and higher than the cutting score form the sub-ranking for the Undergraduate program. Applicants ranked lower than the cutting score form the sub-ranking for the NUFYP program.

3.5.6. Applicants are recommended for admission depending on their ranking and the allocated number of seats and/or quota for all sources of funding approved by the University. Applicants are notified by the Admissions Department on the admission decision.

3.5.7. Applicants, stated in Clauses 3.5.5. of these Policy and Procedures, who did not receive an offer under the Grant are placed in a waiting list of the corresponding program according to their ranking.

3.5.8. The Admissions Department can send admission offers to Applicants from the waiting list according to their ranking in order to fill vacant seats due to other Applicants' withdrawal, rejection, and/or refusal of an admission offer based on the allocated number of seats and/or quota for all sources of funding approved by the University.

3.5.9. Applicants on the waiting list of the corresponding program are given the opportunity for admission on a fee-paying basis with the possibility of financial aid opportunities according to the internal documents of the University. Applicants who accept an admission offer on a fee-paying basis, can continue participating in the competition of the corresponding program under the Grant in case of available seats.

3.5.10. NUET applicants and SAT/ACT international applicants from the waiting list to the Undergraduate program can be enrolled to NUFYP under the Grant upon their request in case of available seats.

3.5.11. Applicants placed in NUFYP ranking and meeting minimum admission requirements for the Undergraduate program according to these Policy and Procedures are given the opportunity for admission to the Undergraduate program on a fee-paying basis with possibility of financial aid opportunities upon their request in case of available seats.

3.5.12. Applicants who accept an admission offer to the Undergraduate program on a fee-paying basis will automatically be excluded from the admission competition to NUFYP and vice versa.

3.5.13. Applicants can be enrolled in only one academic program and/or level of education at a time.

3.5.14. The amount of the financial aid offered to Applicants is not subject to change despite movement of an Applicant within the waiting list or refusal of the admission offer.

3.5.15. Applicants under Full Tuition-based applicants category receive admission offers to the NUFYP or Undergraduate program on a fee-paying basis

without any financial aid opportunities. The first choice major of the Full Tuition-based category of applicants is considered in the admission competition, the second choice major is considered only upon request of the respective School. These Applicants applying with GPA during the final year at High School or College receive a conditional offer with a requirement to have the final GPA according to Appendix 1 to these Policy and Procedures. In the event of failure to fulfill the terms of conditional offer, the Applicant is automatically excluded from the admission competition and shall not be enrolled to the relevant program.

3.5.16. The Applicants recommended for enrollment are notified of the decision by the Admissions Department. The provisions for admission are indicated in the admission offer. Failure to meet the provisions for enrollment by the deadline indicated in the admission offer deprives an Applicant of his/her right to be enrolled to the program.

3.5.17. To accept the admission offer, the recommended Applicants of all categories within the indicated deadlines shall:

- 1) fill out and submit the enrollment confirmation form and form of consent on guarantee fee payment via their Personal account;
- 2) pay a guarantee fee via their Personal account;
- 3) upload a scanned copy of the nationally recognized certificate stating completion of a high school or college with a transcript or its foreign equivalent to the Personal account of the Applicant, if the document is missing. If a document on education with transcript is not in Kazakh, Russian, or English language, a scanned, notarized translation in English must be attached;
- 4) submit to the Admissions Department an original of the nationally recognized certificate stating completion of a high school or college with a transcript or its foreign equivalent.

3.5.18. The University is entitled to request any additional documents, if necessary.

3.5.19. If an applicant accepts an admission offer and is migrated to the Office of the Registrar's system of the University, he/she will automatically be excluded from the competition of their second choice major or NUFYP. If an applicant accepts an admission offer to a School that has no Waiting list, he/she will automatically be excluded from the other major competition.

3.5.20. An Applicant who refuses an enrollment offer or fails to complete the conditions indicated in the notification or fails to provide one or more documents listed in Clauses 3.5.17. and 3.5.18. of these Policy and Procedures will not be enrolled in the relevant program.

3.5.21. Awarding Applicants with the University Grant shall be implemented according to the procedure established by the internal documents of the University.

3.5.22. Enrollment of Applicants to the University shall be formalized by the decision of the University Provost or his/her designee based on approved quotas for allocated source of funding and memos from the Schools, which specify attendance of applicants in Orientation week. The source of financing is indicated in the decision on enrollment.

3.5.23. Applicants who are not awarded High School Diploma, except IB Diploma holders, A-level Diploma and NIS Grade 12 Certificate holders, and NUFYP

students, can be enrolled conditionally to the program with the requirement that they submit a final IB or A-level diploma and official final transcript by the end of first Fall Semester according to the Academic calendar of the program. In the event of failure to fulfill the terms of conditional enrollment, the student will be dismissed from the University. To change the status of a conditionally enrolled student, all terms must be fulfilled. The Schools and Admissions Department must notify each other of the fulfillment or non-fulfillment of the conditions of admission. Upon fulfillment of the required condition, the applicant/student shall be considered as unconditionally enrolled.

3.5.24. In order to record all changes from the initially approved documents indicated in Clause 3.5.1. of these Policy and Procedures during the admission period, the report on the selection process and movements in the rankings is developed by the Admissions Department. This report shall be developed on a paper-basis in Kazakh and English languages after the Orientation week and the start of studies in CPS and Schools of the corresponding academic year. This report shall be approved by the University Provost or his/her designee. The report is confidential and is not the subject for dissemination to the third parties, except for employees of the University in the fulfillment of their professional duties. The report is scanned and stored in the Admissions Department until being transferred to the University Joint Archive.

3.5.25. There is no procedure for appealing the admission competition results.

### **3.6. Mid-Year Intake to the Undergraduate program**

3.6.1. An additional selection process of Applicants for enrollment on a fee-paying basis for the Spring semester according to the Academic calendar of the Undergraduate program is carried out by the Admissions Department.

3.6.2. The Admissions period during which the competition is conducted and the documents are collected is approved annually by the Admissions Department in consultation with the Schools.

3.6.3. Applicants of all categories may participate in the Undergraduate program competition on a fee-paying basis and must meet the requirements of their category specified in Appendices 1-3 to these Policy and Procedures. The descriptions and requirements of each category are specified in Clauses 3.1.4., 3.1.7. and 3.1.8. of these Policy and Procedures. Thus, NUET applicants may participate in the Mid-Year Intake only with the results of NUET taken in the same calendar year of submission of their application. The minimum NUET requirements are indicated in Appendix 1 to these Policy and Procedures.

3.6.4. Students who are studying at the University at any program/level of education as well as graduates of programs of the University cannot take part in the competition.

3.6.5. Applicants who have graduated from secondary education institution, Colleges or higher education institutions can take part in the Mid-Year Intake competition.

3.6.6. To participate in the Mid-Year Intake competition, Applicants submit a separate application on the admissions portal ([www.admissions.nu.edu.kz](http://www.admissions.nu.edu.kz)), and follow the same procedures as described in Subsection 3.2 (except Clause 3.2.3.), Subclauses

1), 3), 4) of Clause 3.4.1., Clause 3.4.4., and Clause 3.4.6. of these Policy and Procedures.

3.6.7. Successful completion of the application does not guarantee enrollment to the relevant Schools.

3.6.8. Based on the ranking and the allocated number of seats to a fee-paying study approved by the University, Applicants are recommended for admission to the relevant Undergraduate program. The recommended Applicants complete steps indicated in Clauses 3.5.17. and 3.5.18. of these Policy and Procedures.

3.6.9. Applicants applying for Undergraduate program in the Spring semester on a fee-paying basis and recommended for admission do not participate in selection for awarding financial aid, an educational grant “Nazarbayev University”, or other grants/scholarships during admission and enrollment.

3.6.10. Enrollment of Applicants on a fee-paying basis for the Spring semester shall be formalized by the decision of the University Provost or his/her designee.

3.6.11. There is no procedure for appealing the admission competition results.

## **Section 4. Waiver**

4.1. Only the Approving Authority is eligible to grant a Waiver from a certain provisions of these Policy and Procedures upon approval of Academic Council and Managing Council of the University sequentially as long as it does not violate academic calendar deadlines. A Waiver shall be granted only for a certain period and in exceptional circumstances as defined in the internal documents of the University.

## **Section 5. Temporary Provisions**
